To Whom It May Concern:

We chose BDS Construction for our Solana Beach condo renovation after meeting with Greg Purdy to discuss the project: completely remodel the kitchen and 2 1/2 baths, and provide significant upgrades to the living area and bedrooms.

Living two hours away we wanted a team we could rely on to do an expert job with only weekly contact, and Greg gave us confidence in his crew at BDS. Dave, Nic and the rest of the guys who did the work were dependable, professional and responsive to suggestions.

Our designer and I thought they were wonderful to work with; they paid attention to detail, had great ideas and went the extra mile for us in many ways. They did everything in a timely manner and Greg kept us in the loop from start to finish. We're happy with the results, confident we made the right choice and highly recommend them.

Have a happy Labor Day weekend!
